### A Word or Two by Dr. Kevin Moore

Last month was full of missions projects with various activities aimed at serving the community and spreading love. On Sunday, March 3rd, our Kids' Missions Project packed Teacher Appreciation Bags for W.H. Owen Elementary School. The Operation InAsMuch Blitz Day on Saturday, March 16th, offered opportunities to pack hygiene kits, make no-sew blankets, write cards to those on our prayer list, and visit homebound members. It was a great day of serving others.

Our missional efforts continue in April. The Youth Spring Break Missions will focus on helping local missions partners here in Fayetteville during the first half of Spring Break. Pray that our young people will see how Jesus will use their gifts and talents to serve those in need in our own community. Volunteers are needed to help with Helping Hands Homeless Ministry on April 12th.

This is what it means to live as followers of the resurrected Christ; trusting in God's grace, while serving others through the love of Christ. God is bringing ample opportunities to our church to serve people from all over the world. May we continue to be faithful in doing what Jesus has commanded us to do. To love God with all of our heart, mind, soul, and strength. And to love our neighbors as we love ourselves.

~Kevin
